Matthew Higgins

I'm a recent graduate of Computer Engineering with a passion for building things on the web. I'm seeking entry level front-end design/development positions to apply and expand my knowledge of web technologies.

Education

Concordia University
Montreal, Quebec
2012 - 2017

Bachelor of Engineering,
Computer Engineering

Dawson College
Montreal, Quebec
2007

DEC,
Computer Science Technology

Experience

Front End Developer/Designer
Freelance
2018 - Present

Designing and developing web solutions for small businesses that are fully responsive, fast, and adhere to current best practices with regards to SEO, performance and accessibility.

Web Developer/Designer
Imagined Creative Inc.
2008 - 2011

Provided design and development services with an emphasis on graphics and animation for clients that ranged from small businesses to some of the world's largest companies.

Academic Projects

Student Scheduler App
Concordia University

As part of a team of 6 other students, I provided software process documentation and assured the quality of the app by developing unit and end-to-end tests.

Snakes & Ladders 3D
Concordia University

With 2 other students, I developed a 3D Snakes & Ladders game. I created the 3D models and textures and coded some of the game logic.
